Page 16, last paragraph, discusses an employee named J.R. There is nothing about work schedules or overtime. The paragraph above discusses a different employee (T.C.). Again no information on work schedules or overtime. I think we are not on the same page.

Subject RE: Work Schedule in Marysville

See page 16 (last paragraph) in Dr. Lockey's master thesis. Does this answer the question?

Subject: Work Schedule in Marysville

There is some information on work schedule in the NIOSH report about the Marysville plant. See page SC-EPA-00163. The information in the report applies to work schedules in December 2000. Please see if you can verify whether similar work schedules were used in the 1963-1980 time frame.
